We provide this software to you under a license.

You can put *Eric's Ultimate Solitaire* on your hard disk. Don't copy and give it to your friends. Or enemies, either, for that matter, though it might addict them and cost them their jobs and family life.

If for any reason you feel the performance of this software is unsatisfactory within the first 30 days after purchase, you may return it to the place you purchased it for a full refund. We tested Eric's *Ultimate Solitaire X* under a variety of conditions, and we believe it performs satisfactorily and safely. However, no guarantee can be made that it will function on your machine. Especially if your machine is a toaster.

Under no conditions will Delta Tao be responsible for damage to your computer system and/or person (including eyesight damage from playing Ultimate Solitaire all hours of the day and night), other than refunding the purchase price of the software, even if we've been advised of the possibility of such damage.

Don't sue us for any reason, or we'll stop writing cool games and blame it all on you.

Eric's Ultimate Solitaire X™, *Eric's Ultimate Solitaire CD*™, *Ultimate*™, and *Ultimate Solitaire*™ are trademarks of Delta Tao Software, Inc. Don't make any other games that use our names. Many other things in this manual are trademarks, too. You'll figure them out.

Congratulations, you have discovered Secret Message #2. We knew somebody read this stuff.
